Your Trusted Partner In Construction Supplies

With decades of industry experience, Lapwing continues to be a go-to supplier for all your construction needs, offering expert advice, fast service, and a broad range of top-quality products. Here's why we're the smart choice for your next project.

Lapwing has been a trusted name in the UK construction industry, specialising in road and ground projects. Our expertise spans decades of dedicated service, and we take pride in being subject matter experts who understand the unique needs of our customers. Whether it's tools, equipment, or materials, we're here to offer the best recommendations for any project, big or small.

What sets Lapwing apart is our commitment to making your work as efficient and easy as possible. We understand that time is of the essence in the construction industry, so we're focused on providing a rapid response time and super-fast quoting. Our personal account managers work

closely with you to ensure that your projects are always on track, while our next working day delivery service (on orders placed before 5pm) means you can rely on us for quick and reliable shipping. Ordering with Lapwing is simple as we offer flexible options, including email, phone, and our B2B portal (coming in 2025).

"We get the right products, to the right place, at the right time."

Plus, with our own van delivery service, you'll get what you need, when you need it.

At Lapwing, we pride ourselves on being a one-stop-shop with a vast range of products in stock. Our selection includes both trusted brands and our own high-quality product lines, ensuring top-notch quality and value.

Lapwing is committed improving our sustainability, as a business, by reducing our carbon footprint through fewer deliveries, offering reliable solutions for challenging freight shipments, and using 100% recycled materials for our delivery boxes.

We're always looking for better ways to improve our services and make a positive impact on the world around us. We are excited to continue this into the new year.
